Good day,

This is an official plea on behalf of the international community and Red Cross Philippines to help the victims of the recent typhoon which has left widespread devastation and sorrow in affected areas. We hereby use this medium to seek donations from kind hearted individuals. As people, every little contribution can help change lives or help one or two of these people get back on their feet and receive adequate care, shelter and food.

To Donate to victims, please contact Social Workers Philippines coordinator, Beryl Geraldez at beryl.geraldez@socialworker.net , phone: +639334540087

Your help, no matter how little in this regard will be highly appreciated.

Thank you in anticipation.

John Herrera
