

Across the world and around the corner - we are there

By making a regular gift to the British Red Cross through the payroll giving scheme, you can help us to save lives when disaster strikes.

Regular supporters are essential to the Red Cross and the people who rely on our help, overseas and here in the UK. Your donation every month will enable us to give lifesaving help to people in crisis, whoever and wherever they are.

In an emergency, it is vital to get help to the scene as quickly as possible. With your support we can continue to be there, bringing help and hope to people - across the world and around the corner.

- £5 a month for a year could buy 36 family size mosquito nets
- £8.50 a month for a year could provide first aid training for two disabled people here in the UK

- £15 a month for a year could provide a farmer in Uganda with an ox and 16 fruit tree seedlings

Your gift will make a big difference

I would like to donate the amount below from my salary each month to support the work of the British Red Cross, here in the UK and across the world.

£50 (£39.00) £75 (£58.50) £100 (£78.00)

The figures in brackets show the real cost to you. For example, if you make a monthly donation of £10, your gift will only cost you £7.80 (assuming you pay tax at 22 per cent). This is because the tax you would normally pay is donated to us.
