

## Cut out bunting

Print out as many bunting sheets as you need and carefully cut out the bunting triangles. Stick the bunting along some string or fancy ribbon and drape around to decorate your tea party!

A large pink triangle with a white border, filled with small, multi-colored confetti (red, green, blue, yellow). In the top-left corner, there is a white teacup with a gold rim and a matching saucer, both containing a golden liquid. The text "Pour a cup of kindness" is written in a bold, black, sans-serif font, rotated 45 degrees counter-clockwise. A thick red underline is positioned below the text.

**Pour a cup  
of kindness**
